About Nigerian Community Leeds (NCL).

The Nigerian Community Leeds (NCL) is a registered charity committed to supporting Nigerians in and around Leeds while fostering cultural exchange, community development, and social integration. Since its inception, NCL has been at the forefront of empowering individuals, promoting social cohesion, and preserving Nigerian heritage in the UK.

Key initiatives of NCL include:

- **EXCEL@NCL** – A supplementary school project that enhances educational outcomes for young people.
- **LACON (Leeds African Cup of Nations)** – A sporting initiative promoting unity and youth engagement.
- **Welfare and Advocacy** – Providing assistance, guidance, and welfare support to community members.
- **Cultural and Social Events** – Organising annual celebrations and cultural showcases.

Nigeria House Leeds

The Nigeria House Leeds Project is an ambitious initiative aimed at acquiring a dedicated property to serve as a hub for social action projects and cultural exchange.

Nigeria House Leeds will become a melting pot of African pride for cultural social capital and serve as an operational base for a mentoring programme for Young Persons of African Descent, where they can safely explore positive alternatives and become young achievers. It will host educational and social empowerment programs for the professional development of a wider Leeds community.

This year our goal is a target of £25,000 to add to the funds already generated for the actualisation of the NHL project. As a corporate sponsor, we would be grateful for your support to help us achieve this goal.

What will we host

- Provide a safe and inclusive space for the Nigerian and wider African communities.
- A corporate event venue to serve the wider community and become a space for hosting corporate events and social parties.
- EXCEL@NCL is a thriving Supplementary Saturday School for Nigerian children now in its 15th year yet not able to operate from its own secure space.
- An **enterprise hub** to assist African-owned entrepreneurs and several small businesses which otherwise struggle with start-up costs that can benefit from shared office space and staff.
- A **Nollywood Viewing Area** to accommodate the Nigerian film industry with global acclaim and interest.
- **Sports facilities** – e.g. gym, table tennis, snooker.
- **Library** featuring Nigerian and other African writers.
- An African foods shop, bar / restaurant.
- A social hub for the older generation who face social isolation.

Why Sponsor?

Supporting Nigeria House Leeds is an opportunity for your organisation to:

- Enhance Corporate Social Responsibility (CSR) by backing a meaningful community-driven initiative.
- Boost brand visibility through our community networks, social media, and public events.
- Engage with a diverse audience, including professionals, students, and families across Leeds.
- Contribute to cultural inclusion, fostering unity and integration within the city.
- Make a lasting impact by helping establish a legacy project that will serve many generations.
